The Syracuse City School District offers P-TECH programs in several high-demand industries. The programs are offered at Institute of Technology at Syracuse Central (ITC), Henninger High School and Public Service Leadership Academy (PSLA) at Fowler High School.

## What is P-TECH?

A program that creates individual pathways for students to simultaneously obtain their high school diploma, earn an associate's degree, and obtain workplace learning experience.

The P-TECH program is designed to motivate and enable students to earn a college degree and successfully transition into the workplace, with the preparation and skills needed by employers.

- ✓ **High school diploma and college degree (at no cost) within five/six years**
- ✓ **Careers awareness: work-based learning experiences with business partners**
- ✓ **Technology pathways: career specific programs of study**
- ✓ **First in-line opportunities for jobs with program business partners**
